Here Is Our 1951 List

We were not able to get out our usual catalog this year because of unsettled conditions early in the fall at the time we usually prepare our catalog. We are listing most of our stock in this colored circular.

Sorry the extra postal rates and cost of packing materials make it necessary to raise prices on some items, but we think nursery stock prices are still lower in comparison than most other articles. If you live within driving distance of Fairbury we would be glad to have you come and get your stock and see what you are getting. Prices on many items are much lower at our building if you come after them.

SPECIAL NOTICE

Make out checks, money orders, and drafts to FAIRBURY NURSERIES. We will pay express charges on orders of \$15.00 to Kansas, Nebraska or Missouri. We will pay the express charges on orders of \$20.00 or more to other states. You may include postpaid items in your orders to get your order express prepaid. Get your neighbors to order with you and get your stock by express prepaid. It will travel better.

Notice—Evergreens and sweet potatoes are not prepaid in any case.

Notice—No stock over 4 feet high can be sent by mail.
